1. Military schools have been established in all war industries for those youths who intend to obtain specific qualifications and degrees of specialization. Similar schools have also been established in the complementary industries which produce raw materials for the war industries. In order to be admitted to such schools, the candidate must possess the following prerequisites:
 - a. Yugoslav citizenship;
 - b. Have attained the age of 14 and not have surpassed the age of 17;
 - c. Have received at least a full elementary education.
2. With respect to admittance to these courses, priority is given to the following:
 - a. Orphans of former Partisans;
 - b. Sons of war invalids;
 - c. Orphans of unknown parentage;
 - d. Sons of workers.
3. Each course will last three years at the end of which the candidate will be declared to be a semi-qualified worker. Each candidate will have to sign a work contract wherein he will undertake to work for at least five years in some war industry following completion of the course.
4. Courses have been established in the following schools:
 - a. Military Industrial School Number 1 at Kragujevac: located at Number 2 Rotor Street, under the jurisdiction of the Kragujevac military factory. Courses are given for apprentices, machinists, mechanics, and lathe operators.
 - b. Military Industrial School at Valjevo: directly under the jurisdiction of the local military factory. The course is attended by apprentices, mechanics, lathe forgers, and electricians.

CENTRAL INTELLIGENCE AGENCY

-2-

- c. Military Industrial School at Mladenovac: under the direct jurisdiction of the Mladenovac tank factory. The courses cover the various specialized fields required in the factory itself.
 - d. Military Industrial School Number 3 at Sarajevo: under the jurisdiction of the local military factory. Courses are given for mechanics, lathe forgers and electricians.
 - e. Military Industrial School at Skoplje: under the direct jurisdiction of the local military factory (Harnjevo). The students are given courses of instruction in the various fields of metallurgy.
 - f. Military Industrial School of the Yugoslav Navy: under the direct jurisdiction of Yugoslav Navy Headquarters. The conditions for acceptance to and the length of the courses are the same as for the other schools. Courses are given for mechanics, smiths, turnists, stanisti, and for naval construction in general.
5. These schools are all supported by the state, and the pupils are boarders and subject to military discipline.
